

Ritangle

An  integral maths competition

23 days. 23 questions. One answer. One winning team

- + **Ritangle** is a competition for teams of students of A level Mathematics or the International Baccalaureate
- + No knowledge of mathematics beyond **A level Mathematics** required
- + One question will be released daily for 23 consecutive weekdays, starting on **9th November 2016**
- + The final question unlocks an overall answer based on the solutions to all the questions
- + A **maths hamper and trophy** for the school or college of the winning team!

Ready for the challenge?

Start with the Preliminary Questions, available now at integralmaths.org/ritangle
